

PRODUCT DISCLOSURE SHEET

[FIND OUT MORE](#)

The Product Disclosure Sheet (PDS) provides some of the key information that you should consider before you buy a medical insurance plan that best meets your needs. You should read your insurance policy contract carefully for full details on your coverage.

Step 1 Is this plan right for you?

- This policy provides for reimbursements of hospitalisation and surgical expenses incurred due to illness and accident, and it also covers accidental death up to the age of 70 years.
- Your premiums will be pooled with other policyholders' premiums to pay claims. If the total claims paid out from the pool of fund is high, the premium for all policyholders in the same pool may increase, including your premiums **even if you did not make a claim**.

Step 2 Does it meet your needs?

What is covered?

- Hospital Room and Board: RM80 to RM400
- Surgical fees: RM15,000 to RM40,000 and subject to surgical schedule
- Annual limit: RM150,000 to RM400,000
- Lifetime limit: Not applicable

What is not covered?

- Medical conditions that you had or had symptoms of, before buying the plan (i.e.: pre-existing illnesses).
- Diseases requiring quarantine by law.

This is not a complete list. Please read the policy contract carefully for the full details on what is and is not covered.

Step 3 Can you afford the increase in premiums over time?

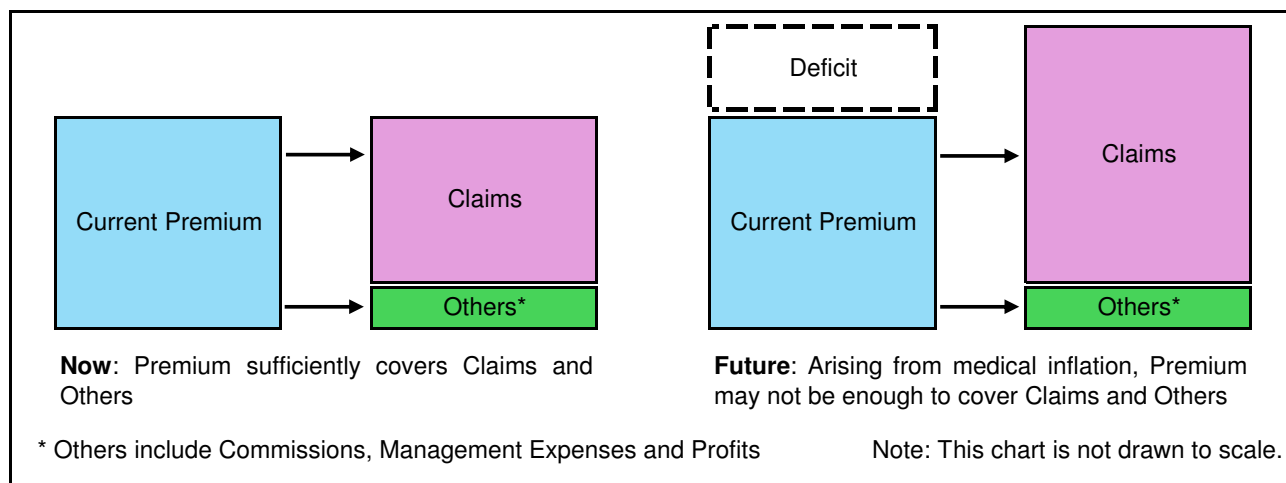

Premium Projection Table

Age	Current premium upon age next birthday for Plan A (RM)	Estimated premium		Over the long term, you can reduce premiums payable by choosing plans with: A lower annual limit.
		Based on medical Inflation of 7% per annum ¹ (RM)	Based on medical inflation of 10% per annum (RM)	
25	607	649	668	
35	712	762	783	
45	981	1,050	1,079	
55	1,456	1,558	1,602	
65	3,063	3,277	3,369	

- The projection above is solely for **illustration purposes only**.
 - Premiums are affected by both the increase in treatment costs and the increased use of healthcare services by policy owners. This can result in actual medical inflation rate being higher or lower than the above illustration. We are undertaking the necessary cost containment measures in co-operation with other stakeholders to manage premium increases over time.
- The bulk of your premiums will go to paying claims. On average, for every RM1.00 of premium paid, RM0.72² is allocated to pay claims. The remainder goes to pay commissions to insurance agent, management expenses and profits of the insurers.

¹ This is the year-on-year increase in the average treatment cost as billed by hospitals to the insurance and takaful industry from years 2020 to 2023.

² This is based on insurance and takaful industry average data from years 2021 to 2023. The actual experience of the plan you purchase may differ from the industry average.

Step 4 What else should you be aware of?

- **Importance of Disclosure** - You must answer the questions that we ask fully and accurately. Failure to take reasonable care in answering the questions may result in rejection of your claim and/or termination of your policy.
- **Cooling-off Period** - If you decide you do not want this policy within 15 calendar days after the policy has been delivered to you, you may submit a cancellation letter to cancel your policy and receive a full refund (less any medical examination expenses incurred).
- **Waiting Period** - Your coverage will only start 30 calendar days after the inception date of your policy.
- **Specified Illness** - Not applicable
- **Renewal** - Renewal is at the option of the company which is subjected to yearly underwriting review whereby exclusion(s) and/or premium loading may be imposed or the renewal may be declined.
- **Premium** - The premium payable is based on the age of next birthday and is paid annually at the rate applicable during renewal.
- **Commission** - The commission³ paid to the insurance agent is 15% of the annual premium.

This is not a complete list. Please read your policy contract carefully for full details on the key terms and conditions.

³ These figures are based on the current premium upon age next birthday.
